Isaiah 61:4

February 2025

Dear Family, Friends & Partners,

Greetings from Zimbabwe! It's been an exciting month with lots of ministry and projects requiring us to step out in obedience, trusting the Lord to guide our steps.

Renewal Fellowship

This past month the church celebrated our younger youth coming of age with The Arise Blessing Ceremony for the young men and young ladies in the service. Each teen took a turn having their name and meaning read out by their father or mentor as they passed through an archway of swords held up by some of the Warrior Men's Ministry fathers. The youth girls were additionally crowned by their fathers after their names were spoken out. It was a beautiful day of the fathers each blessing their teens culminating in a prayer of blessing declared over the young men and then the young ladies while the fathers and mothers gathered around to lay hands on them.

Also this past month, the church hosted Mark & Pat Roser from Uttermost Missions who blessed the couples with a marriage seminar and also preached on a Sunday.

The youth center is getting a much needed face lift of new paint and while that takes place, Little Children's Church is meeting in the container classroom across the parking lot. This group of 1 to 5 year olds is an active bunch so it is definitely a challenge but we are looking forward to our new class space.

Additionally for the church, please continue to stand in faith with us for our much needed parking lot behind the building. With the rainy season upon us, we rejoice for the much needed precipitation but the current parking lot at the front is full to overflowing each week.

Young Adult Mentoring

This year our leadership team prayed about and selected 12 up and coming young adult leaders within the church to spend this 12 month period mentoring. The leadership team meets with these young adults once a month in person on a Sunday afternoon to have a leadership lesson and for the mentees to participate in lively discussion on the material. The members also engage in a once a week virtual meeting working through homework and discussion on a particular lesson.

Renewal Youth

This past month the Brooms have been very busy on Friday nights with our youth group. Early in February, Anaya was tasked by the youth leadership team to take on and lead an entire Friday night service: coordinate worship songs, select and lead the games, and preach the message on the topic given to her. Anaya worked hard for the two weeks leading up to the youth night and we prayed together with her right before the event, committing all her plans to the Lord. Her time, energy and commitment paid off with 48 kids packing out the youth center that night!! Many of the kids walk to youth from our surrounding neighborhood so there were lots of teens to take home on the church bus afterwards, and we rejoice that God is using our youth group to reach teens in our community hard circumstances.

Also this past month, David taught a two week series where he shared with the teenagers about the dangers of unhealthy soul ties and God’s plan for relationships.

Community Outreach

Our entire family was back at the retirement center this month to minister for their monthly Bible study. This time Bianca shared a message about trusting God while we wait.

Additionally, this past month David was invited to share at the monthly Esther’s Intercessors for Zimbabwe meeting. He shared on the significance of this year - 2025/5785 - and what to do to align ourselves with His Grace to maximize on what God is doing in this season.

From our family to yours

In John 15:4-5, Jesus invites us to remain in Him and then He remains in us. If we do so, we are promised to produce much fruit. However, we all get to choose daily if we will actually remain in Him. Will we wait on Him, stay in Him, rest in Him? Or will we choose to try to tackle the challenges of this life in our own strength? Whatever you are facing in your journey right now, we pray for the Lord’s strength and courage to surround you enabling you to remain in Him. God bless each of you.
