

Renewal Ministries

Isaiah 61:4

May / June 2025

Dear Family, Friends & Partners,

Greetings to you all! These past couple of months have been busy ones as we've had a front row seat to see some of the wonderful things God has been doing in Zimbabwe. Over the course of the past 10 weeks, our family has helped facilitate and / or coordinated four different Christian camps, David has gone on two separate ministry trips in Zimbabwe, and we hosted the national homeschool conference, along with all the routine runnings of the church, homeschool club and preparing for our family to travel to the US for our annual trip.

Goat Project

These past couple months have been busy ones for David as he made several ministry trips to different parts of the country. First he went to the southern goat project in the rural area of Chivi, about 5 hours south Harare. He spoke at their semi-annual pastors conference, which was attended by about 70 pastors. The orphans that have been part of and benefitted from the goat project gave a special presentation to say thank you for how life changing it has been for them.

National Ministry

Then two weeks later David took a 6 hour drive down to the border town of Beitbridge to do a 3 day leadership seminar with the leadership of Ambassadors Christian Fellowship. About 70 leaders and pastors from around Zimbabwe were in attendance. The time culminated with Darlington coming down to join David to preach the Sunday morning service to a crowd of nearly 1000 people. They shared the message of Forgiveness and Reconciliation which was well received and there was much ministry time that followed.

Family Camp

At the beginning of May we hosted our third family camp out at Lasting Impressions camp about two hours south of Harare. We had nine families join us to learn about developing a culture of blessing in our homes as we raise our children. Over the course of 4 days, we taught on the Biblical roles of parents, the damage that the lack of those roles being fulfilled in our lives can cause, and how to receive healing for past wounds. Anaya taught two sessions to all the kids that were present on how to develop healthy sibling relationships. We ended the last night of camp with a formal dinner and blessing ceremony where each of the fathers took turns pronouncing a coming of age blessing over their tween and teenage children as they pass from childhood into their youth years. It was a beautiful and powerful ceremony as the climax of the special week.

National Outreach

This past month Renewal Fellowship was one of the hosts for the national Read Through the Bible Event. David spoke at one of the other local churches at the opening service to launch the reading starting in Genesis, and many members of Renewal Fellowship took turns reading in 15 minute increments through our portion of scripture.

David has become a regular guest preacher at a local church service that serves the folks of a retirement community in Harare. He enjoys getting to share with them on a regular basis which he is able to do because of our strong teaching team covering Sundays back at Renewal Fellowship.

Speaking of our strong teaching team, Amy has been challenged by the Lord to do a lot more ministry this year, speaking at 3 different events this past month. As part of our service to the Homeschool Community in Zimbabwe we hosted the 3rd annual Homeschool conference and Amy was the closing speaker. So many were blessed by her challenge to “Homeschool from Wholeness.”

National Outreach

The last weekend of May we organized and hosted the 3rd Zimbabwe Homeschool Conference. This is a day dedicated to encouraging families already on the homeschooling journey and for those who are interested in learning more about homeschooling. We brought in a variety of speakers to share in the session times. There was a curriculum hall for parents to learn about various educational programs available and ask questions. We also had an extracurricular providers hall where parents could explore all the sports and activities offered to homeschoolers in the country. It was a great day that was a blessing to many families in their homeschooling journeys.

Family Updates

It's official: Anaya has been accepted and will be heading to Impact 360's 2025-26 Fellows Program just outside of Atlanta, Georgia at the end of August. She will spend the school year studying leadership development, Biblical apologetics, business studies and mission outreach while living on campus.

She's had a power-packed gap year of leadership training, getting teaching experience and lots of event planning & facilitating. Anaya served on Renewal Fellowship's worship team and tech team. She was a leader on the church youth team and taught on multiple youth group nights. She also took on a huge leadership role with Horizon Girls Camps in Zim this past year, which included speaking at a variety of youth camps and events, coordinating activities for 100 girls on each camp, teaching Bible studies and helping lead worship at events. We are so proud of her and are thrilled for this new adventure God has planned for her life.

Nakiso got all her paperwork to come to America with a week to spare before we traveled to the US. Praise the Lord! Thank you everyone for the prayers!

As we send this update off to you all, we are now in the States for the summer and we appreciate your prayers as we travel to various places and minister at different churches.

Thank you all for your love, support and prayers. We pray for God's peace and joy to abound in each of your lives.
