May 2023

Dear Family, Friends and Partners,

As we head into our winter here in Zimbabwe, the most noticeable change so far has not been the cold but the browning of the vegetation. As the rains come to a stop, the grass turns brown and many of the trees turn from green to yellow. Seasons - a constant reminder that God is always doing something new and yet He never changes! We are reminded that it is during the winter seasons that roots drive deeper into the ground looking for that life giving water. As our roots go deeper into his love, we are made complete with all the fullness of life and power that comes from God (Eph 3:19).

Pari Project -

The exciting work at our local Maternity Hospital Continues. Our men went into the ward this month and literally stripped it down to the brick walls. This is to make way for the renovations coming in. Next we will be plumbing in gas lines for oxygen and putting in new electrical outlets strategically placed around the room to accommodate the medical equipment that will go next to each bed. We have come to find out that 16 hospitals in sub Saharan Africa are working towards this new model of Neonatal care with

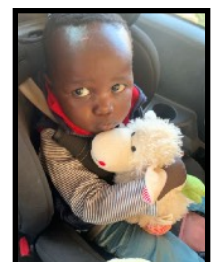

immediate Kangaroo Maternity Care units (iKCM) being promoted as first prize. Mbuya Nehanda Maternity Hospital here in Zimbabwe will be the first of those to be completed and serve as a model for the rest! How cool is God!

In addition, we were able to purchase 15 infra red heaters to be installed in both the iKCM and the current Neonatal Intensive Care Unit - Just in time for the cold weather!!! Please pray we can get the import duties waved as they are going to a government hospital!

Moses basket -

The Moses Basket currently has 3 little ones who we are supporting by providing formula, diapers and medical care as they are being looked after by families in our community. Our baby Nakiso continues to grow stronger and surprise the medical staff with the progress she is making. Tavonga, pictured

to the right, is a young boy whose mother has been in and out of hospital due to mental health issues and we pray for her recovery and a safe permanent place for Tavonga.

Homeschool Club -

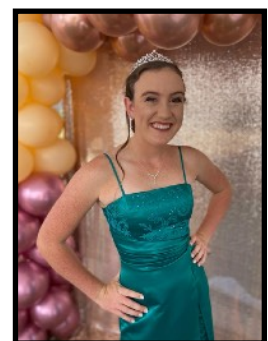

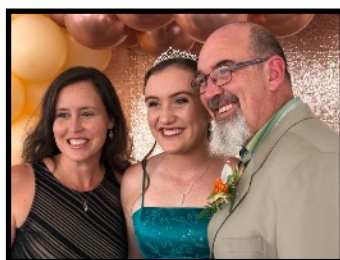

HSC second term kicked off the beginning of May with over 120 children registered to take part. It has been a very exciting kick-off to the winter school term as we've met new families and watched the previous term's families engaging to welcome them.

On Saturday June 10th, we will host the 2023 Harare Homeschool Conference at Renewal Fellowship. This is our second national conference and our theme is "Raising Nation Builders." Please pray with us for the many details to come together well for this event and for it ultimately to plant seeds of faith in the broader homeschool community.

Family News -

On Saturday May 13th, we celebrated the long awaited event of our oldest daughter Anaya's Bat Barakah Blessing Ceremony. This is something we had been planning for over a year. *Bat Barakah* is Hebrew for "daughter of blessing," and that is what her ceremony celebration was all about. She was instrumental in planning this beautiful night of becoming, and in addition to selecting how she wanted the ceremony to go, she wrote and gave her own speech on what this milestone meant to her. We invited family and friends from all across the globe to send messages and prayers and blessings for her. Part of the ceremony included a selected group of Proverbs 31 women in her life surrounding her and praying over her. The ceremony concluded with us as her parents blessing her. If you would like to view the ceremony in its entirety, you can do so on Amy's Facebook page, or by clicking this link: <https://www.facebook.com/amy.hillbroom/videos/205654825621033> . If you would like to watch Anaya's speech, click on the following link: <https://www.facebook.com/589274464/videos/pcb.10162657122794465/915130673105838> Thank you to the many of you who sent through beautiful blessings for our daughter.

As we conclude, it's time again for the Broom Tribe to be heading across to the States for the summer months. We arrive in Chicago June 13th and will be Stateside until September 12th. Please contact us via the WhatsApp number above or David's email, docbroom@yahoo.com , if you are interested in having us at your church.

Regardless of what season you are in, we pray His love in your life is rich and that through His mighty power at work within you, He would accomplish infinitely more than you could ask or think.

David and Amy
